Identification Details

Ship name is placed on a metal plate on the outboard side (both fore and aft). The port name is placed on the inboard side (both fore and aft). The round capacity plate is placed on the inboard aspect of the bow of the boat. Boat numbers for the 16 main lifeboats begin with the forwardmost starboard boat and alternate from starboard to port starting at boat #1 and ending with boat #16. The boat numbers are found forward of the forward nameplate and aft of the aft nameplate. Boat numbers 1 and 2 were 25 ft. cutters.

Boat numbers 3 through 16 were 30 ft. main boats.

lifeboat colors:

hull — white interior — stone te. sheer strake and rubbing strake – dark mast masts, yards, oars – natural wood
